available when I	i can unive.
need it.	
P6.07 – Public	
transport is	
convenient, I don't	
have to think about	
what I'm doing.	
P1.17 – I would	
consider carpooling	
if it was on my	
terms.	
P6.15 – I have	
carpooled before,	
when it was	
convenient.	
P4.10 – I might think	
about carpooling,	
but it's not currently	

a viable option.

P6.24 – "I just want

to go to school and

I just want to get

P4.08 – I don't have

my license but

public transport is close to me.

RELIABILITY

EXPENSES P2.08 – I want the shared cost to be calculated and visible up front. P1.09 – I have a tight budget, cost is important to me. P1.08 – I think travelling in a car might be cheaper. P5.18 – I think sharing expenses is a good idea when carpooling. I think it's one of the main reasons to carpool. P5.19 – I think sharing costs is implied when carpooling, as it's probably something that happens regularly. P5.11 – I think the uel costs for driving would be a lot higher than riding, cost is important. P3.10 – I would share because I like the company and sharing costs. P4.09 – Public

transport seems to

be the economical

choice cost wise.

P6.21 – I am more

comfortable sharing

traveling expenses

with known people.

P1.14 – Friends and

take turns paying

for the travel

USE OF TOOLS P4.13 – I don't use any tools to plan my trip. P6.16 – I don't use any tools to organise my trip. P5.14 – I check the weather in an app and the traffic reports on VicRoads. TRAVEL PREFERENCE P2.06 - I'd prefer to carpool with members of the same sex. P5.16 – Carpooling with strangers is okay, as long as they are likeminded P5.17 – I might prefer being with friends, but as long as the strangers are

nice it's okay.

P4.06 – I don't mind

travelling by public

transport.

FLEXIBILITY P1.03 – I like not being restricted by public transport timetables P5.09 - Being able to be flexible with when I leave is important to me. **CAR AVAILIBILITY** P2.07 – I do not have a car. P3.07 – I have a car.

DRIVING OPINIONS P5.12 – I like the idea of carpooling, think it's wasteful to have 1 person in a car that fits 4.

hour traffic stressfu P6.08 – The types of people on public transport can ruin the experience. P6.23 - I'd prefer to travel by motorbike, but other commuters make it not worth the effort. P1.06 – I don't like being packed into peak hour trains. I get sick easily and it doesn't help me. P1.07 - Standing up on trains and buses is uncomfortable. **SAFETY**

PEAK HOUR ISSUES

P1.02 – I find peak

P1.10 – I prefer travelling by car. P6.12 – Trains are still my preferred method of transport. P5.10 – For me, riding to university is more convenient

P6.13 – I dislike driving to Swinburne because of the trams that are

PEOPLE ISSUES

P1.15 – Sometimes don't like the driver's music. P1.16 – I don't like listening to talk radio. P6.18 – I find carpooling highly dependant on the

travelling with. P6.20 – I probably wouldn't want to travel with strangers because there's a lo of crazy people and feel like dealing with

people.

people you're

with the same timetable, who I got along with well would be good to

LOCATION OF

travel with.

P4.03 – Location had no impact on my choice to study at Swinburne.

P<u>5.03 – Locatio</u>n did not impact my choice to study at Swinburne.

P6.03 - Location did not factor into my decision at all.

driver is safe and

friendly.

P6.11 – I choose

public transport

because people

make riding my

motorcycle unsafe

in the morning,

especially when I

naven't slept much.

P1.05 - Sometimes I don't feel safe waiting at bus stops P2.05 – It is important that the

P6.14 – Catching the train lets me catch

EXPERIENCES

with friends when our timetables were the same. P3.01 – I have carpooled to university before. P3.03 - I carpooled with friends before P3.04 – Timetable changes prevented me from carpooling with friends. P2.01 – I just try to contact friends when trying to organise carpooling

tried carpooling before.

P5.13 – I have not carpooled before but I like the idea.

P1.13 – I share a lift with friends on the weekend.

up on study or read.

EXTRA STUDY

P1.11 – Sometimes

use my laptop to

study on the train.

P1.12 – I don't study

when in the car.

P6.05 – I catch the train to uni after walking to the station but I can also catch a tram.

TRAVEL METHODS

P5.05 – I currently

ride a motorcycle to

university, but I used

to catch a train.

P4.05 – I travel to

university by bus

and then train.

P1.04 - I find having

to change transport

to be very annoying

PRIVACY P2.11 – My details and the ride details should only be visible to people who need to see it. P2.10 – I think I am okay with my rides being tracked. P2.09 – In the interests of safety, have used apps that track me by GPS. P2.02 - I would put up my details for

privacy. P2.03 – It is important that only the relevant people can see my details.

people to contact

me, but I'm

concerned about

P3.06 – I am fine with friends knowing my address

CARPOOL P6.19 – I carpooled

P3.02 – I have only organised carpools in person and with friends. P4.12 – I haven't
